

Quality Policy

Introduction

Well-Safe Solutions was established in August 2017 with significant investment to offer a fully integrated “Tier One” specialist well P&A service delivering safe and efficient operations in collaboration with operators and the supply chain.

Through the deployment of decommissioning oil and gas expertise and dedicated bespoke P&A marine and land-based assets and equipment, Well-Safe are a first-of-its-kind “Tier One” company who can provide a complete P&A package from front-end engineering and design, through to project execution, knowledge retention and management to be fed back into future projects.

Commitment

The Primary Strategic Aim of Well-Safe is to ultimately deliver long term multi-operator, multi-well P&A programmes, to the highest standards of Quality, HSE and Corporate Social Responsibility which are central to the reputation and commercial success of Well-Safe, its Customers and its Internal/External Providers.

We are committed to continuous improvement and have established a Quality Management System in compliance with ISO 9001:2015 which provides the structure for the Policies, Processes and Procedures required to achieve our objectives and develop the system to meet and exceed expectations.

Objectives

To achieve the Aims of Well-Safe and to reflect its promises, the following core objectives have been established:

- Leadership: Engagement of Personnel to align Strategies, Policies, Procedures and Resources
- Process Approach: Development and Evaluation of Processes to achieve consistency
- Factual Evaluation: Evidence based decision making, understanding inputs, positive outcomes
- Engagement: Training, Competence, Development and empowerment of Personnel
- Customer Focus: Identifying, meeting and achieving expectations
- Relationship Management: Developing and maintaining positive interested party relationships
- Improvement: Identification and Realisation of Excellence in performance

Performance measurements against these objectives are to be approved by Executive Management. Well-Safe expects an absolute commitment from everyone involved in our business activities to take responsibility and be accountable for ensuring compliance with this policy.

As Chief Executive Officer, I am fully committed to providing the necessary resources to allow the effective implementation of this HSE policy in the business activities of Well-Safe Solutions.

Phil Milton, Chief Executive Officer
